HUDSON RIVER WORKS  
IN 1875

**SUPERINTENDENT ERNEST WELDON JR.**

OUR NUMBER ONE PERSONALITY AT HUDSON RIVER  
WORKS. ENERGETIC, CAPABLE, APPRECIATIVE,  
FELLOW WORKER AND SPORTSMAN. IN RECOGNITION  
OF HIS LEADERSHIP AND FRIENDSHIP, WE  
DEDICATE THIS BOOK TO HIM.

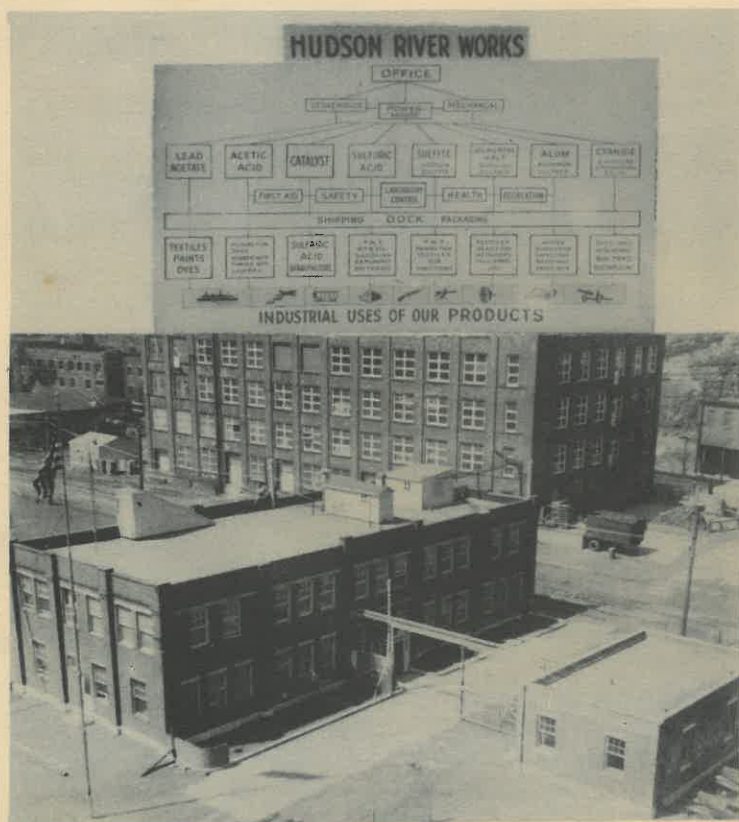

**MR. & MRS. ERNIE WELDON AND JOHNNIE**

# FORWARD

We have produced this 1947 Year Book of Hudson River Works to give you a picture record of as many of your fellow workers and friends as we could get pictures of. Our thanks to those who have cooperated to make this book possible.

GENERAL FOREMAN E.D. DILWORTH

With General Chemical Company since 1913, "Rass" is one of our old-timers. Laboratory Assistant, Chemist, Foreman, General Foreman. A strong believer in safety, which he in turns transmits to all of us. Hobbies - Bowling and Grandchildren.

BULLETIN EDITOR

WALTER G. SCHNOOR  
CATALYST DEPARTMENT  
CHEMIST - FOREMAN

A

Likes editing the Bulletin even though sometimes his patience for material runs out. Hopes that everyone likes this picture edi-

tion and that the Bulletin's future is as good as the future of Hudson River Works and General Chemical Company.
